TO: Vern Sterba
FROM: R. L. Morris
SUBJECT: Division Committee Status Report

Before I leave for a two week trip to Europe I want to bring you up to date on the outstanding Committee assignments.

In addition to the operating plan prepared by you and Charlie, I have received Warren's budget and Bob Fisher's By-Laws revisions. These are being put together and I will have 100 copies of each printed in the next two weeks.

The By-Laws Committee suggested that we revise the proposed division name to be Computing and Systems Technology Division. There is apparently a very strong desire on every one's part to include "systems" in the name. Since I have no personal objection I have accepted this recommendation and all of the above material is being so identified.

I will get in touch with you when I return.

Robert L. Morris
Chairman
Formation Committee
MCC Division Status
