To: Current and Past CAST Division Executive Board Members

Although the CAST Division is only some 8 years old, the names of people who were on the CAST executive board and those who ran for office over the years, seem to be quickly lost. In order to rectify this situation (and also to develop a candidate roster for 1987), I am trying to gather an accurate list of past members which I will recommend be held in trust by each Secretary/Treasurer of CAST in the future.

Would you please carefully check the attached listing for accuracy and fill in the blanks with names of people under "Ran for Office" if they are known. I cannot seem to find the names of candidates who ran for a CAST office in the past. Note that we elect a Secretary/Treasurer every two years but a 2nd Vice Chairman and two Directors each year.

Please return the material to me.

With my best wishes for the coming year.

Edward M. Rosen  
1985 CAST Division Chairman
